

# SOUTH WALES POLICE YOUTH TRUST

South Wales Police Youth Trust grants have supported a wide range of projects including cookery schools, sports sessions, youth clubs, DJ lessons, poetry workshops, the construction of a skate park and residential trips during the holidays.

## Project Spotlight - Boys and Girls Club Neath

The Boys and Girls club aims to provide a wide range of activities to those aged between 11 and 16 from the Melyn in Neath. The club helps young people increase their social and team working skills and gain confidence in themselves.

The club received just over £4,000 from the South Wales Police Youth Trust and through this funding has been able to run activities such as climbing, paddleboarding, kayaking and more. Children attend the activities alongside their families, ensuring everyone enjoys and benefits from the club.

Many of the children involved in the club would never have had the opportunity to partake in these types of activities, mainly due to the costs and lack of transport. The club not only allows children to have these experiences, but also encourages them to form friendships with other children that would not usually meet if it was not for the Boys and Girls club.
